Introduction to School

As we begin this new and exciting moment in the “*Kairos Season of Holy Spirit*,” we repeat to you what we wrote in our announcement: because you have, as an individual, obeyed Holy Spirit and brought a “*tithe*” contribution to this revelatory School, you can now “*own*” the revelations we impart to you in the lessons of the School. We will continue to address this issue of ownership in a more detailed revelation in later lessons; for now what this does in the eternal realm of God is connect you to the alignment protocol established in Malachi that extends from 3:10 to 3:11, 12, 16, 17, 18, and Mal 4:2, and 3.

Note the spiritual climate revealed in Mal 4:1, 5 and 6 in which this protocol is set; the spiritual climate is so much like it is today (please read and then study this protocol often until it is set as a freshening revelation within your spiritual heart and mind). God has not yet struck the Earth with the Malachi Curse; this He will do as detailed in the Book of Revelation. Before He does this as a triumphant closing act to this Age, He first had to bring about the alignment blessing He prophesied in the above verses. This He has done, but many yet do not know about nor function from this alignment. Today, you are going to awaken to the reality that you are now in this alignment wherein the power of God flows; an alignment that is set upon the Word, Spirit and Blood of Christ (1 John 5:8) and established by the eternal command of Malachi 3:10.

After this Word to Malachi, God stopped speaking to Israel for 400 years. Suddenly, God begins to speak again, but this time He speaks first to reveal His Chosen Vessel and then through the Words and actions of this Vessel (Heb 1:1-2) until He, the Vessel, can establish the human, eternal alignment through which He will bring all of His Father’s unfulfilled Words to pass. The substance and the eternal result of this alignment are set in Ephesians 4:11-12; 13-16. Its foundation (Eph 2:20) is in the first two verses; its alignment is clarified in 1 Cor 12:28: “*God hath set some in the ekklesia, first apostles, secondarily prophets, thirdly teachers.*” In the Greek word for **teachers** (*didaskalos*), all levels of authority of a teacher are present from an elementary teacher to a master or professor to a PhD doctor. Here’s what this reciprocating alignment looks like in schematic form from the Lord’s heavenly Viewpoint as He ascends on high and its earthly function:

When the two alignments are brought together, with the Human Community centered in between you will see that it forms a diamond with many facets; which is the Promise of Malachi 3:17 in the Amplified Version, the purpose of the Great Commission and Abba, Father's desire expressed by "*God so loved the world that He gave His only begotten Son.*" Please note that the Lord Jesus as Son of God is the Head of the Diamond and as the Son of Man the Tip of the Diamond that pierces the Earth and all worldly systems on it. This is the Apostolic Model that Apostle Paul established and executed as he penetrated the darkness of his world; draw next to the diagram above the pastoral model with the pastor as head and the Body of Christ in a box; is there a difference?

Please see our essay on "The Corruption of Dominion Purpose" on our web site for an explanation of who the "ekklesia saint-sons of God" are. In Eph 4:12, the specific job descriptions for each are highlighted; the job description of the ministry of the whole Body of Christ, as One Unit, is revealed in verses 11-16. You are in this upward mobility, eternal alignment, the only alignment Holy Spirit has the responsibility to empower, and now you will see and eternally know, in greater reality, the transforming impact of the Word, Spirit and Blood of Christ! So, please begin activating this alignment reality within you by declaring:

"By the Word, Spirit and Blood of Christ, I have been set in the Holy and most powerful Kingdom alignment God has set in the Earth; I am a member of the Blood-redeemed Body of Christ growing up to BE an ekklesia Saint-son of God on my way to being all God says I am. I now, through Blood-covered worship of Abba Father, activate the reality of this power alignment in me and on behalf of all those I have influence with!!!" (Rest in a *Selah* worship moment here)

Once this alignment is functionally in place, Holy Spirit brings the believer back to the individual sphere where His sanctifying and transforming works must become manifest in the believer's life if the believer is to be God's transforming agent in the world. As He addresses the broad outline of these issues in verses 17-22, He opens the primary door in the human personality through which He will work to make this work real and manifest in verse 23: *And be renewed in the spirit of your mind.*

Before we begin these lessons, we must first ask you a question? Who are "you"? Before you answer this please realize that no medical scientist, neuroscientist, physicist, psychiatrist or any other human being can define who "you" is. They use the word "self" instead of the word "you," but they cannot scientifically define the substance that clearly reveals the human 'self.' They also use terms like spirit or soul or words that define human behavior, but none of these words define "self." You will be tempted to use the word "spirit," but this only labels one of the faculties or containers for "self-you." Please give this some very serious consideration since it is crucial that "you-self" be identified and its substance made known as part of the transformation process of Holy Spirit.

Who "self" is, fortunately, is clearly identified for us in God's Word. We will impart this key revelation in this first course and reveal throughout the School's Lessons on how to wage effective, personal dominion warfare from your true "self" identity.

School and Lesson Instructions

1. If you do not have Adobe Reader on your computer, please go to www.adobe.com and download this free program.

2. As led by Holy Spirit, we will release one lesson per month beginning March 15, 2010. This lesson may be released in several parts during the month; this will occur when Holy Spirit magnifies some aspect of the lesson with increased revelation; as an added great blessing, James Nesbit has agreed to pictorially present key revelations in these lessons as he is led by Holy Spirit. As he develops them, we will release them to you. If you want to see the kind of work James does go to his web site at www.ptwministries.com; his work is an awesome presentation of various revelations he sees and then portrays as art.
3. Submitted student questions will be answered as part of the lesson that generates the questions; please, when asking a question stay within the content of the Lesson and keep in mind the Noble Berean Principle (see 8.e below) when asking a question.
4. You may also comment about the subject matter in every lesson; questions about personal issues should be addressed within the sphere of your local fellowship; unless you tell us not to, we will use your questions or comments when necessary to enhance the content of the lesson for others enrolled in our School. We will not use your name when we use your question or comment.
5. Please make a notebook in which you will keep a copy of the lessons; keep in mind that in this “Meat to Meat” Malachi 3:10 alignment, you own these lessons and we become for you in this School your apostolic point and foundation for this alignment to work in, for and through you to your spheres of influence. Please place these instructions as the first page in your notebook.
6. Also make room in your notebook for additional revelations Holy Spirit will impart to you; He will often do this to make a broad revelation specific to your life and its circumstances.
7. We also encourage you, if you live in close proximity to others within the School, to gather together to dialogue about the Lesson content and the additional, personal revelations generated by your individual study of Lesson content. If you do not have this arrangement near you, ask Holy Spirit to lead you to those within the Body of Christ to whom you can introduce the School to. In a future Lesson, we will show you how to function through intercession that will make a Kingdom relationship take place for you in the Body of Christ.
8. When you receive your monthly Lesson, we suggest the following discipline:
 - a. Read the whole lesson through without making any personal judgments about lesson content; some of the revelations will shock your mind and you will react to them.
 - b. In a quiet time, begin to study the lesson; use the embedded Biblical references to also study the Bible as you proceed through the lesson; Holy Spirit will teach you the revelations you now “own” and set them within your spiritual heart, mind and memory; repeat exposure to the revelation will be necessary to break down and replace any resisting embedded religious mind set.
 - c. Begin to implement the simple disciplines starting with this key one: “Abba, Father, I worship You through the Blood of Jesus Christ!”

- d. As the layers of religious conditioning are removed skillfully by Holy Spirit from your soul, re-read and study the lessons again and again; remember you have one month before you receive another lesson. Re-studying grants Holy Spirit an opportunity re-impart eternal truth within your being precept upon precept to awaken you to God's Reality; in this process, Truth will come alive within you and it will manifest through you in the Nature and Character of Christ Jesus, your eternal life.
 - e. The spiritual and mental attitude you can rely on is the Noble Berean Principle of: *receiving the word with all readiness of mind, and searching the scriptures daily, to see if whether these things were so* (Acts 17:11). So as you worship through the Blood of Christ, constantly invite Holy Spirit to activate this noble attitude within your spiritual heart, mind and soul; this attitude powers and promotes learning.
9. We encourage you to make a note on your calendar the your pledged monthly contribution so you will remember to send it in a timely manner.
