

A Revelation of the Malachi 3:10 Mutual Ownership Covenant

As we were being directed by Holy Spirit to launch our new *Qualified to Conquer Online School*, Holy Spirit had us look more deeply into Malachi 3:10. We have been in a lot of conferences and churches where this verse was used to provoke the taking of an offering from participating believers. We felt that something was missing or misappropriated in the use of this verse for these purposes, but never had anyone clearly present what God was actually promoting by commanding the tithe to be brought into His “*Storehouse*.” As we studied key words in this verse, Holy Spirit suddenly opened our spiritual eyes to see His hidden purpose in this verse and how it began a protocol of relationship that led to the fulfillment of Malachi 4:2-3. This purpose actually creates an eternal, spiritual link that enables believers “to get or embrace” what Holy Spirit was seeking to give them through the revelation of the Word.

So let’s look at this verse again and we will reveal this hidden purpose that will enable you to literally own your kingly inheritance in God and live out of its reality.

Bring ye all the tithes into the storehouse, that there may be meat in mine house, and prove me now herewith, saith the LORD of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it.

Many may have opened up their pocket books or wallets at offering time, yet they do not experience what is promised by the one taking the offering. Why? The answer, the hidden purpose, is discovered in how the tithe is connected to the availability of *meat* in God’s *Storehouse*. Let’s look at several revelations in this verse:

The “*tithe*,” was: a) the covenant link that guaranteed that God would partner, as God, with Israel which would also guarantee the flow of God’s power into the Nation to create wealth (Deut 8:18); b) established a legal means for God to empower the Nation through His chosen representatives, the Levites, to maintain a mutual sovereign to sovereign alignment partnership with God; and c) not about taking a donation, but a contribution which represented the life of the giver of the tithe, which ensured the availability of meat in God’s *Storehouse* to nurture the life of the giver. Through His response to the tithe, God’s Great Name was broadcast through the world (Gen 12:2-3; 1 Kings 4:21-34), which ensured national security by the principle of deterrence based on strength (Rev 12:11).

The Hidden Revelation of Malachi 3:10: The word “*meat*” is the Hebrew word “*tereph*” meaning something torn, like a part of a fresh leaf or an animal used for meat; this is verified by its root word, which adds “to pluck off or pull to pieces; rend or tear in pieces.” The normal Hebrew word used for meat is “*ma’akal*” meaning something that is edible. In this verse, the historic tithe was meat; the “*meat*” in God’s *Storehouse* is a code for the Word of God as spiritual food (Deut 8:3); therefore, the tithe of meat and the *Meat* of the Word established a vital aspect of God’s Covenant which we call the “*Covenant of Meat*.”

Tereph (*tearing open*) reveals how the sum of the Truth of God’s Word (Ps 119:160, AMP) as eternal, spiritual *Meat* is to be prepared according to the principle of “*rightly dividing the Word of truth*” (2 Tim 2:15). By revelation, the eternal Word is opened so the eternally alive believer can hear and embrace or eat (John 6:53-63) the Word of eternal life and increase in its

reality. This exchange of “*meat*” reveals the process of how God fulfills His promise of Genesis 1:26 and Genesis 1:28.

The “Covenant of Meat” is first seen in Gen 15:8-10: *And He said to him, Bring to Me a heifer three years old, a she-goat three years old, a ram three years old, a turtledove, and a young pigeon. And he brought Him all these and cut them down the middle [into halves] and laid each half opposite the other; but the birds he did not divide* (AMP). When Abram obeyed and provided the “*meat*,” God caused a deep sleep to fall upon Abram so He could give Abram a brief glimpse of the eternal realm: *And it came to pass, that, when the sun went down, and it was dark, behold a smoking furnace, and a burning lamp that passed between those pieces. In the same day the LORD made a covenant with Abram, saying, Unto thy seed have I given this land, from the river of Egypt unto the great river, the river Euphrates. . .* (Gen 15:17-18). This eternal experience was a guarantee that God’s Word to Abram about giving him the land and thus wealth as his inheritance was true.

We also see the relationship of the “*meat*” exchange in Malachi 3:10 with Luke 24:30-31: *And it came to pass, as he sat at meat with them, he took bread, and blessed it, and brake, and gave to them. And their eyes were opened, and they knew him; and he vanished out of their sight.* (Note: the two men provided the “*meat*.”) It is this exchange of meat and revelation of the Word (Jesus is the Word) that is hidden in Malachi 3:10; this exchange is also the foundation of the “Covenant of Mutual Ownership”; ownership legally allows the believer to access and use the Substance of the Word revelation. However, it also allows God to own and have access to the substance of the personality of the believer. For example, it allows God to own the whole sphere of the believer that causes dysfunctions or sicknesses within the believer’s life. NOTE: God cannot heal what He does not own; neither can believers use what they do not own! Prayerfully study the following:

- 1) The opening of the Word to the believer is not about teaching the principles of the Word, which is the norm of religious training that gives believers the principle of the Word with the hope they would attempt to live by them; this is the standard practice of all religion. However, principles are not alive; they do not have the necessary living nutrients to sustain life. Principles only make “followers of Christ.”
- 2) Instead, when the anointed, Blood-covered Word is “*torn open*,” the believer is invited into an increasing reality of eternal life through the opened the Word; through the opened Door of the eternal Word, the believer **sees** Truth Alive (God!) and is powered by what they see to move, progressively, into the sanctified reality of God’s life filled with love, hope and faith. The result: believers who know they are filled with God!
- 3) God made man to live from two life supply sources: a natural supply and a spiritual supply; cut off either supply then the human’s full eternal and natural life of longevity, purpose, security and wellness would also be hindered or worse, cut off prematurely (see I Cor 11:29).
- 4) IN the spiritual supply of the Living Word, the believer would be able to live out its promises by the substance and power the Word contained; this eternal reality would become a part of the believer’s experience and inheritance which then could be passed on as their Will and Legacy through their DNA genes and memes to their offspring; study prayerfully Deut 29:29: *The secret*

things belong unto the LORD our God: but those things which are revealed belong unto us and to our children for ever, that we may do all the words of this law.

5) The Hebrew word “storehouse” means both an “armory and treasury” within the context of a family home; in it are all godly things necessary to ensure healthy homes and families. The “meat” in God’s “storehouse” must be distributed; this is the function of God’s stewards. These stewards (1 Cor 4:1; Titus 1:7; 1 Peter 4:10) are His mature ambassadors (2 Cor 5:20; Eph 6:20) which are the five-fold equipping gifts of Christ (Eph 4:11). Releasing the revelatory “meat” begins with Holy Spirit (1 Cor 2:9-10) who then recruits, trains and imparts revelation into these equipping gifts. They, as the oracles of God (1 Peter 4:11), dispense this revelation Truth to lift up every Blood-redeemed believer they are in relationship with. In this heavenly, Blood-secured alignment, Truth proceeds from the eternal Spirit through the equipping steward to the eternal believer, which causes the power of Truth to synergize; the result is that the believer becomes an eternal Gate of authority in their communities to manifest the transforming power of God (please study the protocol alignment of Mal 3:10-11; 3:16-18; and Mal 4:2-3).

Why is the evidence of this not being seen in our social spheres? Most believers do not understand the Corporate Kingdom alignment through which the exchange protocols synergize and work to make these eternal realities manifest in human society. Apart from these eternal realities, the believer remains constrained and bound to their own self-centered histories, which prevents the corporate, synergized alignment function of the Body of Christ. In this disconnect of the alignment God has established, the power flow of God is cut off leaving believers exposed and susceptible to the conspiracies, devices and wiles of wickedness even while sitting in a pew in a church (Jer 23:1-2). The devil is not threatened by preaching or teaching of principles even if they are based on the Word.

BUT God! The underlying eternal link that causes the eternal relationship of both the Covenant of Meat and Mutual Ownership work is not the tithe in exchange for the Word revelations; this would be attempting to purchase something eternal with something natural (Acts 8:19-20); this is an extension of the Genesis 3:5 Deception: doing something natural to be or gain something spiritual. What is it that makes this Covenant work? **Obedience!** The “*obedience of Christ*” (2 Cor 10:5) that fills all believers the moment they are redeemed by the Blood of the Lamb! By this obedience, the giver of the tithe and the equipping steward are link to God and then one another (Ex 19:5; Deut 13:4; Jer 7:23; Rom 6:16; Heb 5:9). Malachi 3:10 establishes this obedient link which: a) gives the equipping steward permission to teach and impart truth as revelation to the contributor that will open their “eyes” and conscience to **see** the eternal realities of God; b) releases the Blood-covered Revelation to the contributor in the anointing of Holy Spirit which causes Truth Alive to become a synergized reality in the life of the contributor; and c) secures the contributor’s ownership and legal use of these revelations.
