## The Time for the “Deborah” Warfare to Begin

### Introduction

For several years, we have been carrying a major revelation within about unlocking the national revival or renewal that is vital to keeping America from tipping over the edge of radical liberalism founded on an anti-Christ platform steeped in humanism. The revelation key concerns the acceptance by the Body of Christ of two suppressed people groups in the nation and in the religious church. These two people groups are: Native Americans and women. The specific word concerning this is: *when these two people groups are accepted at the Table of the Body of Christ at all levels of authority and function, then the Lord will release in and through the Body of Christ the revival/renewal many have been praying for.*

Until the acceptance of these two people groups, the Spirit of the Lord cannot release this move because of the foundational issues of racism and sexism lying, in a latent form, within His Body. Holy Spirit would have to overlook these major issues which are humanistic forms of root idolatry; this He will never do.

We release the following revelation to the women in the Body of Christ who carry the destiny of “Deborah” within their Kingdom identity; even though this is specifically to women in the Body of Christ it actually applies to all members of the Body, male and female, since all human beings carry unchangeable DNA markers from the mitochondrial DNA of the female line and the "Y" chromosome of the male line.

### The Creation of Eve

This revelation starts in the beginning with the creation of Eve in Genesis 2:20b-21:

*But for Adam no suitable helper was found. So the LORD God caused the man to fall into a deep sleep; and while he was sleeping, he took one of the man's ribs and closed up the place with flesh. Then the LORD God made a woman from the rib he had taken out of the man, and he brought her to the man.* NIV

For generations, men in all nations treated the creation of Eve as lesser or secondary work of God; this viewpoint was strengthened, especially in the religious church, from the Words’ of Paul in 1 Tim 2:13-15:

*For Adam was first formed, then Eve. And Adam was not deceived, but the woman being deceived was in the transgression. Notwithstanding she shall be saved in childbearing, if they continue in faith and charity and holiness with sobriety.*

The failure of Adam and Eve has already been addressed by many; here, we will focus on Eve’s creation. To do this, we need to expand the viewpoint of this creative act of God from the verses in Genesis. It begins with God putting Adam to sleep; so, in your mind’s eye, see Adam as he lies

on the ground before God. God then reaches into Adam's side and removes a single rib from him. Keep in mind here that all the DNA aspects of Adam's creation are written in every single cell of this rib. This includes the statement of God from Genesis 1:27:

*So God created man in his own image, in the image of God created he him; male and female created he them.*

Please note that Adam and Eve existed, in God's Word and Mind, within the one body of Adam; this is verified, scientifically and genetically, in that all humans carry both male and female genes.

Also keep in mind the above scenario; Adam is on the ground; God removes the rib, holds it up and forms the physical body of Eve. When God made the body of Adam, He took the dust of the Earth and formed the body on the Earth. In this special act, He takes the rib out of Adam; see Him doing this action. Note the rib does not touch the Earth's dust at first; not until she is made does she walk on the Earth. God always does things with very specific purposes in mind. Here, His Heart's purpose was not to make Eve as a second, lesser act of creation, but a higher act of not only creation, but function. Eve, when brought forth out of Adam, is not touching the Earth, but is lifted up from Adam off of the Earth.

### **Eve's Creation, Dominion Function**

We need to ask the pertinent question of "why?" God's purpose was to elevate the full dominion purpose of mankind into a heavenly connected state of worship free of any Earth-bound issues. Can you see it? If you can then you will also be prepared to understand the next function of this act of creation; this function is not revealed until Adam, not Eve, commits the original sin of faithlessness against the Word of God. So let's look at the verse where this function is found in Gen 3:15:

*And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel.*

Keep in mind, eternal God is speaking and releasing an eternal function into Eve and her DNA even as He is addressing the serpent directly. That this is in Eve's DNA is revealed by God's use of the word "seed" which speaks to the forthcoming generations of children that culminates in the SEED of the woman, Jesus Christ. Note Jesus is the result of God reproducing in Mary the holy Seed; no male human being was involved in this marvelous act of begetting the only Begotten.

The seed is also the function of "enmity" between the woman and her gender and the serpent and his seed hordes. We know the serpent clearly understood this function and has set up in every people group, male dominated structures to prevent women from their primary warfare function against the evil one. The word "enmity" is a very strong word that means, from the Hebrew word, "'eybah," hostility, hatred; its verb form means to hate as one of an opposite tribe or party as an enemy. This is a very strong and passionate word.

When the two functions of Heaven-connected worship free of Earth bound issues and an intense hatred of the evil one are connected, we begin to see the fullness of the special act of the creation of Eve. God intended this multi-function of worship and warfare to be a united function in Adam. Together, the evil one is not only conquered, but is prevented from acting since he cannot enter or hang out where the Skekinah glory of God is manifestly present. Women carry

within them a created, DNA ability to worship in the Presence of God; most believers worship to get into God's Presence, but this is not worship since it rests on human ability to do something to move from the natural to the eternal realm of God. This is more like a religious method; God gave women an inherent, generational gift to move into God's Presence and in His Presence worship Him openly and freely. This is why worship is the primary function of the Bride of Christ (Rev 22:17).

United in the Body of Christ, all can experience worshipping God in His Presence, but women have a special grace to lead worship free of earthly suppressing issues. However, what is true for the alignment for all spheres of authority in the Body of Christ is also true with respect to the proper alignment of males and females and the specific graces and functions they carry in the Body.

### **The Warfare Function of Eve**

Encrypted in the gift of "*enmity*" is the reality of what the serpent knows; he knows God eternally spoke this as a curse to him forever; he also knows he cannot close the door of this enmity which flows out of women. We repeat the evil one cannot close the door to the enmity function of women! He cannot overturn this because it is a God-spoken curse upon him as perpetually verified by the curse upon the animal used by Satan to deceive Eve. When the "Eve destiny" in all women is activated, no seed of the serpent can prevent this function from working. They cannot close their ears from hearing all that women speak, led by Holy Spirit, in addressing the serpent and his deceitful works which have kept humanity segregated from the beginning. What is the foundational work of the serpent's deception?

This deception is revealed in the words of Adam when directly challenged by God for his failure; he said: *The woman whom thou gavest to be with me, she gave me of the tree, and I did eat* (Gen 3:12). When read from the Hebrew, Adam is actually accusing God of giving him a defective or imperfect gift; as he points to Eve, he actually derides her character in the sight of God. This is where man placed woman under him in his own mind and heart and elevated himself in God's sight to a superior place over inferior woman; this is where the seed idolatry of the serpent takes root in the bloodlines of humanity against women. God's response to this insult from Adam was to give Eve the gift of enmity against the serpent. The primary function of this gift is the destruction of this primary division that Adam and the serpent placed in the human family: this division is called gender bias or sexism.

The male of the human species did not have the God-given "*enmity*" function as a direct, genetic deposit from God; only women carry it in this manner within their mitochondrial DNA. Women impart this "*enmity*" function into "her seed" by reproduction so all humanity has an opportunity to function in this enmity against the wicked one; all humanity carries these genetic functions, but only in the feminine DNA not in the male chromosomes. Women alone have this foundational authority to execute this enmity against the root division of sexism that separates humanity at its fundamental level of family.

It is very important to realize that all human bias, whether in the form of racism, sexism or class prejudice, is the direct fruit of the deeper root of idolatry. As idolatry, all bias elevates one element of a people group, ethnicity or class into a superior position over a lesser or inferior element. The elevated group actually functions in a very deceptive form of self worship; this is idolatry. Its existence at the family level grants it the right to become a part of the genetic inheritance passed from one generation to the next; thus, the serpent has created a means and the

vessels to carry his deceptions into the times of humanity even until the end of the age. It is this iniquity that opens the family to all the other fruit-forms of sin and iniquity.

### **BUT God!**

God, however, has reserved the power of this revelation for this time in the unfolding of His plan for humanity. It is now time for all Blood-bought and consecrated women believers to grasp this revelation and learn how to call this dormant seed function into a now, reactivated function within their eternal lives. The model for this is as follows:

*Father I thank you for the great gift abilities of worshipping you in your Presence free of all Earth-bound issue and the enmity gift to wage open-door warfare against the serpent and all of his seed. Through the Blood of the Cross, I confess my yielding to all thoughts, actions of self or others that have suppressed these gift functions. Instead of knowing and acting in your Word, I accepted words of man that have kept me in bondage to the sin of Eve and the insult of Adam. Forgive me for these sins that deny the reality you created all humans equal in your sight; through the blotting out work of the Blood of Christ, erase these sins and root iniquities from my DNA history. I know see through the Word your great plan for women and the creation gifts you placed within to elevate the whole Body of Christ into the real state of worship and war. I call the DNA gifts of worship and enmity against the serpent into reactivation through the Blood of Jesus Christ.*

### **Worship-War Assignment**

Everything we have put forth above is designed to re-establish the ancient foundation for the Deborah Warfare to begin. We also repeat here for the purpose of this assignment; the serpent and his seed cannot close their ears to the warfare words of women in Christ who walk in the enmity function of God. This function was at a high level in Deborah (Judges 4), Jael and Esther and is still an unchangeable DNA marker in all women; so all women have this creation ability as a functional destiny within.

For example, within the Crow Nation culture, after a battle, the Crow women would pierce the ears of their enemies and say “Maybe now you will hear us!” Think about the impact on enemy when this gift functions; keep in mind, the enemy must hear what is said; elevate this in the Blood of the Cross. Now place what is spoken in worship of the One True God of Heaven; how does this worship, in Blood-covered light and sound, affect the serpent and his grid of darkness?

So call this destiny forth from the hidden realms of your DNA and begin to stand up in warfare against the seed of the serpent working to suppress all humanity in our nation and government in this hour. Speak forth the Word of God, as you worship in His Presence, now and continue until the oppressor is laid low by Holy Spirit moving upon the gift ability of enmity against the serpent. Also, call forth all women believers into this high place of eternal destiny through the redeeming, reconciling and restoring Blood of the Cross of Jesus Christ. Hear God’s call deep in your eternal spirit: Arise and Shine for the Glory of the Lord has risen upon you; in the Light of His Glory step up, step out and overcome in the Victory of Christ all the seed of the serpent resisting you, your family, your community and your nation. DO IT NOW!!! To all who carry the Deborah destiny, rise up and GO FORTH IN WAR!! This is your destiny!!

The revelation of the impact of believing women rising to their full stature in the Body of Christ can be seen clearly in the following verses from Ps 68:11-12:

*The Lord gives the word [of power]; the women who bear and publish [the news] are a great host. The kings of the enemies' armies, they flee, they flee! She who tarries at home divides the spoil [left behind] (AMP).*

Please note the connection of the Lord giving the Word of power to women who bear and publish His news and the kings of the enemies' armies fleeing! Now look at the last part of this passage; unless one understands the real power of God released in intercession, not prayer, this last phrase doesn't make much sense. What else are the women doing at home that enables them to collect the spoils of war? Intercession!!! Intercession is the final phase of the Kingdom mandate for the saints of God and, in particular, women saints. It is the outflow of the combined preparation of dominion worship, prayer, and individual or corporate repentance.

Note when women function as a collective, synergistic host, it is the kings of the enemy that flee not just the foot soldier (demons); we repeat, it is the kings of wickedness that flee or to use a New Testament word "principalities." What is it that makes these kings flee? The key that unlocks this mystery is "*to women who bear and publish the news;*" the word "publish" is the Hebrew word "*basar*" which means to be fresh or full; cheerful. The picture here is women who have openly received the fullness produced by His Word; the Word produces fullness of joy and, in this state of great and full joy, they speak forth the Good news of God contained in the Word of God. This collective sound, in great joy, is similar to the sound Adonijah, a usurper of the Throne of Israel, heard when David anointed Solomon King (1 King 1:38). It is also this sound that the kings of the enemies of the Lord hear when women stand in their place of worship, prayer and intercession and speak the joyful sound of the Good News of King Jesus!

When women, as a host, come into their proper place in the Body of Christ, and function in the "enmity" God placed within them, we will see a great transfer of wealth as the spoils of war; read again: *She who tarries at home divides the spoil [left behind]*. It should also be obvious that it is the great sound of the collective intercession, which is outflow of the collective sound of Blood-covered worship, which causes the forces of wickedness to tremble and flee leaving their wealth behind.

For this hour of the Kingdom of God within our earthly nation, we must look beyond and not be constrained by the actions of any anti-Christ forces no matter how it may look to the natural eye. We will speak to this more in another e-newsletter; but for now, we challenge all Blood-covered women believers to stand up in their high place in God and begin to "publish" the Good News of Christ in a joyful state of worship to lift up the spirit of the Body of Christ in this perilous time of great and unknown changes.

Be mightily blessed, women of the Lord, and worship-warriors of Christ, Jim and Faith Chosa
